Take My Heart

Chris Isaak

Take my heart (take my heart)
Theres no telling what this love can bring.
This romance (this romance)
I got a felling could bring everything.
Dont be shy,
Lift that chin and let me look at you (oh baby)
What a face,
Ive been waiting for you all my life, so be my baby baby.Take this kiss (take my heart)
Crazy kiss of love I offer you.
Kiss like this (kiss like this)
Kiss like this proves our love is true.
Hold me tight,
Whisper on my dear like lovers do (oh baby)
Dont let go,
Ive been waiting for you all my life, cause your my baby baby. Yeah.Take my heart, youre the morning stars above for me (oh baby)
Cant you see, youre the only one Im dreaming of, its you I love now baby baby.
Take my heart (take my heart)
Take my heart. Take my heart.
