

Thank God for Something

Hawk Nelson

Mama always said to me
The very best medicine is gratitude
It's not what you don't have
but what you do
I must admit
That I forget
That life's a gift
Hey mama, gonna change my attitude
1, 2, 3, 4 count my blessings
1, 2, 3, 4 count my blessings
If you got a lot or a lotta nothing
Go ahead and thank God for something
You're gonna see the good if you're good at looking
So go ahead and thank God for something
We have a lot or have a little
It's really nothing new
Happiness should never be slave to revenue
We gotta break down
Need a way out
Living unbound
When we start singing out a new tune
1, 2, 3, 4 count my blessings
1, 2, 3, 4 count my blessings
If you got a lot or a lotta nothing
Go ahead and thank God for something
You're gonna see the good if you're good at looking
So go ahead and thank God for something
In the wonder
In the heartache
In the good times
And the mistakes
No matter what I am going through
I can always say thank you
When the blessings
Are in disguise
Let gratitude open my eyes
Cause I've just been given too much
To do anything but
1, 2, 3, 4 count my blessings

1, 2, 3, 4 count my blessings
If you got a lot or a lotta nothing
Go ahead and thank God for something
You're gonna see the good if you're good at looking
So go ahead and thank God for something
If you got a lot or a lotta nothing
Go ahead and thank God for something
You're gonna see the good if you're good at looking
So go ahead and thank God for something
