Love Stands Alone

Peter Frampton

Can't find no shelter
Comin' out of the pain
Hurt my self leaning
Against the drain
See this steam risin'
Out of the home
Must be the exits
The one in my soul
Doesn't matter
Doesn't matter to her
Doesn't matter
If I had her
I would give her the world
Doesn't matter
Love stands alone
Love stands alone
Doesn't matter no
Once I was captured
By the fire in her eyes
Now when I look
I see the whites of her lies
My spirit is leaving
I see her light
It can be heaven with her still inside
Doesn't matter
Doesn't matter to her
Doesn't matter
If I had her
I would give her the world
Doesn't matter
Love stands alone
Love stands alone
Doesn't matter no
Doesn't matter
Doesn't matter to her
Doesn't matter
If I had her
(If I had her)
I would give her the world

Doesn't matter
Love stands alone
Love stands alone
Love stands alone
Love stands alone
Doesn't matter no
Doesn't matter
(Doesn't matter)
Doesn't matter to her
(Love stands alone)
Doesn't matter
Love stands alone
If I had her
(If I had her)
I would give her the world
(Love stands alone)
Doesn't matter
Doesn't matter no
