

# Every Breath You Take (Live in Berlin)

Sting

Every breath you take and every move you make  
Every bond you break, every step you take, I'll be watching you  
Every single day and every word you say  
Every game you play, every night you stay, I'll be watching you Oh, can't you see you belong to me  
How my poor heart aches with every step you take Every move you make, every vow you break  
Every smile you fake, every claim you stake, I'll be watching you Since you've gone I've been lost without a  
trace  
I dream at night, I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying, "Baby, baby, please" Oh, can't you see you belong to me  
How my poor heart aches with every step you take Every move you make and every vow you break  
Every smile you fake, every claim you stake, I'll be watching you  
Every move you make, every step you take, I'll be watching you I'll be watching you  
Every breath you take and every move you make  
Every bond you break, every step you take (I'll be watching you)  
Every single day and every word you say  
Every game you play, every night you stay (I'll be watching you)  
Every move you make, every vow you break  
Every smile you fake, every claim you stake (I'll be watching you)  
Every single day and every word you say  
Every game you play, every night you stay (I'll be watching you) Every breath you take and every move you  
make  
Every bond you break, every step you take (I'll be watching you)  
Every single day and every word you say  
Every game you play, every night you stay (I'll be watching you)  
Every move you make, every vow you break  
Every smile you fake, every claim you stake (I'll be watching you)  
Every single day and every word you say  
Every game you play, every night you stay (I'll be watching you)
