

# Beyond the Realms of Death

## Judas Priest

He had enough, he couldn't take anymore  
He'd found a place in his mind and slammed the door  
No matter how they tried, they couldn't understand  
They washed and dressed him, fed him by hand  
Yea, I've left the world behind, I'm safe here in my mind  
I am free to speak with my own kind  
This is my life, this is my life, I'll decide not you  
Withdrawn he'd sit there, stare blank into space  
No sign of life would flicker on his face  
Until one day he smiled, it seemed as though with pride  
The wind kissed him, goodbye, and he died  
Yea, I've left the world behind, I'm safe here in my mind  
Free to speak with my own kind  
This is my life, this is my life, I'll decide not you  
Keep the world with all its sin, it's not fit for livin' in  
Yea, I will start again it can take forever, forever, forever and ever  
And ever, but I'll still win  
How many like him are there still  
Who to us all seem to have lost the will  
They lie in thousands, lank and lost  
Is knowledge worth this bitter cost?  
Yea, I've left the world behind, I'm safe here in my mind  
Free to speak with my own kind  
This is my life, this is my life I'll decide not you  
Keep the world with all its sin, it's not fit for livin' in  
Beyond the realms of death
