

And You Tell Me

[a-ha](#)

Please don't hurt me
I have told you
All my love is all I've got
And tomorrow is the day
When I for your sake
I'm coming back And you tell me
That I don't love you Trying hard to make you jealous
Trying harder to make you stay
Days are longer
Night are crazy
It's so strange when you're away And you tell me
That I don't love you Because I love you
I will show you
All the faces my love can hide
So please
Let me come to you
And stay this time And you tell me
That I don't love you
Oh you know
That it's just not true
