

# Walking My Baby Back Home

Johnnie Ray

Walking my baby back home  
Gee but its great after staying out late  
Walking my baby back home  
Arm in arm over meadow and farm  
Walking my baby back home

We go along harmonizing a song  
Or I'm reciting a poem  
The hours go by and they gave me the eye  
Walking my baby back home

And we stop for a while, she gives me a smile  
And cuddles her cheek to my chest  
And we start in to pet and that's when I get  
Her powder all over my vest

And just when I try to straighten my tie  
She wants to borrow my comb  
One kiss and then we continue again  
Walking my baby back home

We stop for a while, she gives me a smile  
And cuddles her cheek to my chest  
We start in to pet and that's when I get  
Her powder all over my vest

And just when I try to straighten my tie  
She wants to borrow my comb  
One kiss and then we got to do it again  
Walking my baby back home
