# Feeling

## The S.O.S Band

The feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything from this babys name to wedding rings
The feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything, wanna change ya name, it's driving me insaneThis feeling don't come everyday
It acts just like my baby
To give my girls love away
You would have to be a fool or crazy
She's always stayed by my side
Even when I say it wasn't right
So today I'm gonna tell her how I feel
Look into my eyes
I apologize
Baby I'm so ashamed
I never took the time
I know it's not right
I'm so sorry you had to waitThe feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything from this babys name to wedding rings
The feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything, wanna change ya name, it's driving me insaneNow everything is laid out for ya
How I feel about ya, just about how much I love you baby
I wanna take another step closer
Now baby let me hold ya, for the rest of my life
Now think I will get down on one knee
And see if you'll be my bride to be, baby your beatiful... ? Hey
But, I'm in love with you (I'm in love with you)The feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything from this babys name to wedding rings
The feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything, wanna change ya name, it's driving me insaneLook into my eyes
I apologise
Baby I'm so ashamed
I never took the time and I know it's not right
I'm sorry you had to waitThe feelings I have inside for you
I'm so in love (I'm so in love)

Thinking about everything from this babys name to wedding rings
The feelings I have inside for you
I'm so in love (I'm so in love)
Thinking about everything, wanna change ya name, it's driving me insane
