

White Trash

Orchestral Manoeuvres In the Dark

Im going to get you
(Trash)
For the lies youve been telling
(Trash)
And Im going to tell
(Trash)
The people you call your friends
(Trash)Im going to break
(Trash)
Every bone in your body
(Trash)
That perfect little body
(Trash)
Thats been so close to mine
(Trash)Trash, trash, trash, trash
Trash, trash, trash, trash, trash
Trash, trash, trash, trash
Trash, trash, trash, trash, trashTrashWeve been together
(Trash)
Just as long as I remember
(Trash)
But your mouth is a weapon
(Trash)
That is worse than any knife
(Trash)Trash, trash, trash, trash
Trash, trash, trash, trash, trash
Trash, trash, trash, trash
Trash, trash, trash, trash, trash
Trash, trash, trash, trash
Trash, trash, trash, trash, trashTrashTrash, trash, trash, trash
Trash, trash, trash, trash, trash
