Take All of Me

Sully Erna

I am your secrets, I am your lies
Unspoken guilt you hold down deep inside
A grain of pleasure
For an endless mile of pain
Am I the only one to blame?Take all of me
Tell me that you want me
Like who I used to be
How long can we
Make believe we're something we were never meant to beYou tried to hide me
Then walk in vain
Behind that certain someone you wear a mask of shame
Beyond your secrets
And way beyond your lies
You innocence disguisedTake all of me
Tell me that you want me
Like who I used to be
How long can we
Make believe we're something we were never meant to beYou're left weakened for the taking
It's hard to stay across the line
Was it worth the love that you received
Now that your leading
Your heart through separate livesTake all of me
Tell me that you want me
Like who I used to be
How long can we
Make believe we're something we were never meant to be
