Called To Be

Jonathan Nelson

-Verse-
In the journey of life
there are winding roads
Mountains high and valleys low
Though the road ahead may be unknown
I'm still focus on the prize that worth pressing for
-Chorus-
I will be what you called me to be
I say Yes,
Lord I agree
My desire, passionately
Is to be what you called me to be
That's what I'll be
-Verse-

All road sign read destiny
I'll follow where ever you lead
Nothing can hinder me
For the prize is all I see
I see
-Chorus-
I will be what you called me to be
I say Yes,
Lord I agree
My desire, passionately
Is to be what you called me to be
That's what I'll be
(repeat 2x in harmony)
-Vamp-I say Yes, Yes, I agree
(repeat over & over)
(Invert up)
