

Hand to Hold (feat. Lontalius)

Instupendo

But we promised to each other
If you ever see me stutter
You will be the one to let me know,
And if I see you in the darkness
I will be your comfort
And I will give you a hand to hold
A hand to hold

Soon you'll (...) soon you'll outgrow me
And it's like you don't know me
But that's alright now
'Cause even when I felt alone
I could tell I wouldn't always feel
like I was that scared to grow up
And I know you won't be there when I wake up
But I'll remind you

That we promised to each other
If you ever see me stutter
You will be the one to let me know,
And if I see you in the darkness
I will be your comfort
And I will give you a hand to hold
A hand to hold
"Hmmm Hmmm Hmm Hmm Hmmm"

A hand to hold

A hand to hold

I, will treat you like my own
Another in the darkness
With no hand to hold
And I (I, I)
I felt left out,
Just like you will,
When you get home
