

Born to be Loud

Gang of Thieves

I got no promises to keep
No guarantee of love
Cuz baby far as I can see
That world is not enough

Starving I lick my lips Iâ€™m back to sleeping with the beast
Thereâ€™s a whiff of a dream and it seems to believe,
to believe in me
The voices are building inside Like a message of fire
I can see the way out but itâ€™s barely out of reach
But not forever Iâ€™ve been

Iâ€™m born to be loud (repeated)

Hey yeah
Hey yeah
Ugh!
Try and stop me

Iâ€™m born to be loud (repeated)
