Mother's Day (demo)

Nada Surf

I wanna know, I wanna know
Do you have the balls to ask?
What do you see when you look at a girl?
Is she a game you wanna win?If no one was lookin'
What would you do to get in?
Do you have friends who would be proud if you went in for the kill?
Do you have friends who would do it even against her will?What if they did that to your sister?
What if they did that to your mother?
Why are we so slow?
Why are we so slow?I bet you think you're such a hottie
But a body afraid is not a sexual body
What do you see when you look at a girl?
Is she a game you wanna win?If no one was lookin'
What would you do to get in?
Everybody's been laughed at and everybody's been left out but
(Ahh ahh)
That's no excuse to turn it around
(Ahh ahh)
No boy has the right to hold a girl down
(Ahh ahh)What if they did that to your sister?
What if they did that to your mother?
What if they did that to your sister?
What if they did that to your Ma?On your Star Wars sheets
When you set the scene
Was she seducing you
Or did she want to scream?It's you versus you versus you versus you
Versus you versus you versus you
It's you versus you versus you versus you
Versus you versus you versus youI can't forget that tomorrow's Mother's Day
I can't forget that tomorrow's Mother's Day
I can't forget that tomorrow's Mother's Day
I can't forget that tomorrow's Mother's DayI'm talking to you, you know who you are, goin' too far
I'm talking to you, you know who you are, goin' too far
You'll feel good for ten seconds, she'll be screwed up for life
You'll feel good for ten seconds, she'll be screwed up for lifeBlue balls and all of that bullshit
Blue balls and all of that bullshit
Blue balls and all of that bullshit
Blue balls and all of that bullshit
