

You'll Never Know (with The Bobby Tucker Singers)

Frank Sinatra

Darling, I'm so blue without you
I think about you the live-long day
When you ask me if I'm lonely
Then I only have this to say You'll never know just how much I miss you
You'll never know just how much I care
And if I tried, I still couldn't hide my love for you
You ought to know, for haven't I told you so
A million or more times? You went away and my heart went with you
I speak your name in my every prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now You'll never know just how much I miss you
You'll never know just how much I care
You said goodbye; no stars in the sky refuse to shine
Take it from me: it's no fun to be alone
With moonlight and memories
