Norma Jean

Advisory - the following lyrics contain explicit language:

We walked on glass all day long
With eyes rolled back
It came with smiles, it came with gestures
And it came with motivesInvesting flowers in one hand
And a blade in the other
This is between me
And this blade and my heartDistributing rusty knives
In these countless attractive letters
With a directional diagram of a guilty heart
'Insert knife here'Lack of thought on this subject
Has attested catastrophic
Come one, come all, introduce knife to heart
With our eyes rolled back
