**Norma Jean**

Advisory - the following lyrics contain explicit language:

We walked on glass all day long  
With eyes rolled back  
It came with smiles, it came with gestures  
And it came with motives Investing flowers in one hand  
And a blade in the other  
This is between me  
And this blade and my heart Distributing rusty knives  
In these countless attractive letters  
With a directional diagram of a guilty heart  
'Insert knife here' Lack of thought on this subject  
Has attested catastrophic  
Come one, come all, introduce knife to heart  
With our eyes rolled back
