Wit a 9 or a 45 or a Heni Fith

It ain't no bitch in my blood  
Nigga it's nuttin' but thug I'll knock the black off yo ass  
I'll knock the black off yo ass

But if I catch you talkin'  
I'ma beat you wit da bat Do you sumthin' wrong  
Nigga, how you like dat

Tryin' to see my stash

Nigga, dat's yo ass You the type of nigga  
That'll keep on comin' back  
So I'ma gone kill ya  
Leave you dead where you at I think they better call Bush  
'cause it's a national disasta  
When I unleash my pistol  
Grip push masta wit me alone I got dubs and drums  
100 round spita, you can't hide  
You can't run, I'ma snipa  
Riddn' in a blue Chevy A trunk full of guns, man

You hoes ain't ready  
Kill a bitch like Freddy  
And a Betty Edward Jones  
In the middle of the night  
Wake 'em up wit wit red saintIt ain't no bitch in my blood

It ain't no bitch in my blood  
Nigga it's nuttin' but thugIt ain't no bitch in my blood
