Chump Change

Pitchshifter

Don't wanna be the boy
The denizen, the chump change
I don't wanna be the next stepDon't wanna be the toy
The jettison, the chump change
I don't wanna be the first up
'Cause we spent the last dropWho decides if it's alright?
(Who decides?)
I said, who decides if it's alright?Can't touch me, completely
Reduction so easyDon't wanna be the son
The citizen, the chump change
I don't wanna be the next stepDon't wanna be the same
The medicine, the chump change
I don't wanna be the first up
'Cause we spent the last dropWho decides if it's alright?
(Who decides?)
I said, who decides if it's alright?Can't touch me, completely
Reduction so easy
You can't touch me, not completely
Your reduction is so easyI wanna tell you this, I wanna make you dive
I wanna be the big fish, I wanna see you fry
I wanna be the big fish, I wanna see you fry
Yeah, see you fryChump change
And I spent the last drop
Chump changeWho decides if it's alright?
(Who decides?)
I said, who decides if it's alright?Can't touch me, completely
Reduction so easy
You can't touch me, not completely
Your reduction is so easy
