

I Hate U (Quiet Nights Mix By Eric Leeds)

Prince

U have just accessed the Hate Experience
Do U wish 2 change your entry?
Very well, please enjoy your experience
I never thought that U would be the one
After all the things that we've been through
U gave your body 2 another in the name of fun
I hope U had some baby, if not, boo hoo

CHORUS:

It's so sad but I hate U like a day without sunshine
It's so bad but I hate U cuz U're all that's ever on my mind
Honey, I hate U - Now everyday would be a waste of time
Cuz I hate U

I never thought that I could feel this way
2 fall in love was a table reserved 4 fools
Say U're sorry if U wanna but it's all in vain
I'm out the door sweet baby, that's right, we're through

CHORUS

This court is now in session
Would the defendant please rise?
State your name 4 the court
Never mind (Billy Jack Bitch)
U're being charged with one 2 many counts of heartbreaking
In the 1st degree
I don't give a damn about the others
My main concern is U and me
Your honor, may I call 2 the stand my one and only witness?
A girl that know damn well she didn't have no damn business
I know what U did, how U did it and uh. who U did it with
So U might as well plead guilty cuz U sure can't plead the 5th
Now raise your right hand
Do U swear 2 tell the whole truth
Not the half truth like U used 2 so help U God?
Nod your head one time if U hear me
If U don't, I'll have 2 use the rod
Anything 2 make U see that uh. U're gonna miss me
Yeah, U're gonna miss me
Uh, uh, uh, oh!
If it please the court
I'd like 2 have the defendant place her hands behind her back

So I can tie her up tight and get into the act
The act of showing her how good it used 2 be
I want it 2 be so good she falls back in love with me
Close your eyes

I'm gonna cover your ass with this sheet
And I want U 2 pump your hips like U used 2
And, baby, U better stay on the beat
Did U do 2 your other man the same things that U did 2 me?
Right now I hate U so much I wanna make love until U see
That it's killin' me, baby, 2 be without U
Cuz all I ever wanted 2 do was 2 be with U ... ow!

I hate U (I hate U)
Because I love U (Because I love U)
But I can't love U (I can't love U)
Because I hate U (I hate U)

Because I love U
I love U, baby
I love U {x3}
I love U cuz U're all that's ever on my mind
I hate U because I love U
