

# Cat Scratch Fever

Motörhead

Well I don't know where they come from

But they sure do come

I hope they comin' for me

And I don't know how they do it

But they sure do it good

I hope they doin' it for free

They give me cat scratch fever

Cat scratch fever

The first time that I got it

I was just ten years old

I got it from some kitty next door

I went and see the Dr. and

He gave me the cure

I think I got it some more

They give me cat scratch fever

Cat scratch fever

It's nothin dangerous

I feel no pain

I've got to ch-ch-change

You know you got it when you're going insane

It makes a grown man cryin' cryin'

Won't you make my bed

I make the pussy purr with

The stroke of my hand

They know they gettin' it from me

They know just where to go

When they need their lovin man

They know I do it for free

They give me cat scratch fever

Cat scratch fever
