

# Could It Be I'm Falling In Love

## The Spinners

Since I met you I've begun to feel so strange  
Every time I speak your name (that's funny)  
You say that you are so helpless too  
That you don't know what to do Each night I pray there will never come a day  
When you up and take your love away  
Say you feel the same way too and I wonder what  
It is I feel for you Could it be I'm falling in love (with you baby)  
Could it be I'm falling in love (ooh)  
Could it be I'm falling in love  
With you, with you with you, with you I don't need all those things that used to bring me joy  
You made me such a happy boy  
And honey you'll always be the only one for me  
Meeting you was my destiny  
You can be sure I will never let you down  
When you need me I will be around  
And darling you'll always be the only one for me  
Heaven made you specially (Could it be I'm falling in love)  
Could you babe?  
(Could it be I'm falling in love)  
(Could it be I'm falling in love)  
With you, with you, with you, with you And darling you'll always be the only one for me  
Heaven made you specially (Could it be I'm falling in love)  
Would you babe?  
(Could it be I'm falling in love)  
I wanna now now babe  
(Could it be I'm falling in love)  
With you, with you, with you, with you  
(Could it be I'm falling in love)  
(Could it be I'm falling in love)  
(Could it be I'm falling in love)  
(Could it be I'm falling in love)  
(Could it be I'm falling in love)  
(Could it be I'm falling in love)
