Timeflies

Not safe for work
You know what to doShe gives bro next, people staring back
Looking like an angel but she's wearing black
Hop up in the range, girl I'm feeling that
Make that mini skirt do a disappearing act
I'm Houdini with the lingerie oh
Specialized in hoes getting out of their clothes
Do it in the mirror working on a new pose
She going to press that ass out while she standing on her tippy toes
Ti-ti-tippy toes, ought to strip it hoes
Shake it shimmy those, l-l-l-love it when you give me those
Putting on a show, you know that I'm feeling those pictures
Should drop it low and send a couple videos
Not loyal, no one I never ever trust
But they sending pics, probably making Hellen Keller blush
I think I'm more famous than I'm letting on
Cause these hoes getting off before getting onNow I may be turnt
Put a few down and a couple of perks
Faded right now, Club's so loud
Take your phone out
Send me something not safe for work
Not safe for work
Not safe for work
Girl, take your phone out
Send me something not safe for workGot a bad phone for them bad hoes
In the background seeing me chilling in a bathrobe
Getting back rubs in the spa, everything I asked for
From what I've seen I'm not sure she even have clothes
Right on, I told her to chive on
Ass from America, Phone from Taiwan
Ripping nylon on their itty bitty thong
That body's so electric, told her to slide onNow I may be turnt
Put a few down and a couple of perks
Faded right now, Club's so loud
Take your phone out
Send me something not safe for work
Not safe for work
Not safe for work
Girl, take your phone out

Send me something not safe for workNormal's boring that ain't my thing
Go on and send me that P I C
The sun goes down and we get nasty
Oh it's going down, oh we going wild
Normal's boring that ain't my thing
Go on and send me that P I C
The sun goes down and we get nasty
Oh it's going down, oh we going wildNow I may be turnt
Put a few down and a couple of perks
Faded right now, Club's so loud
Take your phone out
Send me something not safe for work
Not safe for work
Not safe for work
Girl, take your phone out
Send me something not safe for work
Not safe for work
Not safe for work
Girl, take your phone out
Send me something not safe for work
Not safe for work
Not safe for work
Girl, take your phone out
Send me something not safe for work
