

Guide Me Home

Big Mama Thornton

Now the wind has lost my sail
Now the scent has left my trail
Who will find me, take care and side with me?
Guide me back safely to my home
Where I belong, once more Where is my star in heaven's bough?
Where is my strength, I need it now?
Who can save me, lead me to my destiny?
Guide me back safely to my home
Where I belong, once more Who will find me, take care and side with me?
Guide me back safely to my home
Where I belong, once more How can I go on?
How can I go on this way?
