

Nobody

Ballistic Cats

When life seems full of clouds and rain

I am filled with an awkward pain

Who soothes my achin', thumpin' brain?

Nobody

When winter comes with snow and sleet

I'm so tired with cold feet

Who says "Here's two bits Nina honey, go and eat"

Nobody

I ain't never done nothin' to nobody

And I ain't never got nothin' from nobody, no time

And until I get me somethin', yes, from somebody, sometime

Well, I don't intend to do nothin'

For nobody, no time

Now when winter comes all cool and clear

My friends they see me comin' near

Who says "Come on in child and have a beer"

Nobody

When all day long things go amiss

I go home to find some bliss

Who hands to me a glowing kiss?

Nobody

I ain't never done nothin' to nobody

And I ain't never got nothin' from no body, no time

And until I get me somethin', from somebody

Sometime I don't intend to do nothin'

For nobody, nobody, no time, no time

Nobody, no time
