

Remember

Josh Groban

Remember
I will still be here
As long as you hold me
In your own memoryRemember
When your dreams have ended
Time can be transcended
Just remember meI am the one star
That keeps burning so brightly
It is the last light
To fade into the rising sunI'm with you
Whenever you tell
My story
For I am all I've doneRemember, I will still be here
As long as you hold me
In your own memory
Remember meI am that warm voice
In the cold wind that whispers
And if you listen
You'll hear me call across the skyAs long as
I still can reach out
And touch you
That I will never dieRemember
I'll never leave you
If you will only
Remember meRemember
I will still be here
As long as you hold me
In your own memoryRemember
When your dreams have ended
Time can be transcended
I live foreverRemember me
Remember me
Remember me
