

# I Just Want You To Love Me

Darren Hayes

I don't someone telling me what to do  
I don't want to find out my temper grew wings and flew to you  
I don't want somebody telling me what's not right  
But I just want you to love me  
Oh I just want you to love me  
I don't want to have lie about what's inside  
And then there's always been a tiny part of me I was trying to hide  
I don't want to see your expression if I let you down  
No I just want you to love me  
Oh I just want you to love me  
But there's a haiku poem inside my head

And the words are written in invisible ink  
And now the world is changing and I can barely keep up  
Cause what was hot is over and what was down is not now  
Adam and Eve are trying to split up  
And I can't take anymore  
Cause I just want you to love me  
Oh I just want you to love me  
Love me...  
Oh I just want you to love me  
Oh I just want you to love me  
Oh I just want you to love me  
Oh I just want you to love me
