

Party All Night

Quiet Riot

Hang loose
PartyGot my head to the grindstone
I'm trying to act like a fool
My head is a lampshade
They can't find me at schoolWell I'm an animal
Yes I'm a cannonball
They say I'm out for blood
One thing I wanna do isParty all night (Oh-oh!)
Party all night (Oh-oh-oh!)
Party all night (Yeah!)
All night longDriving right way on the wrong side
A bit too much to drink
Women in the backseat
And they don't know what to thinkThey say I've lost my head
You'll probably end up dead
But they're too blind to see
What's a party to me, yeah, yeah, yeah, yeahIs to party all night (Oh-oh!)
Let's party all night (Oh-oh-oh!)
Party all night (Yeah!)
All night longUh!Let's have a good time, good timeC'monEverybody's parties
I'm on a one way cruise
Lookin' for trouble
We got nothing to loseThey're on the telephone
They're trying to send me home
We're gonna pull the plug
We've got a new kind of schoolLet's party all night
Let's party all night
Party all night
Let's party all night(Yeah yeah yeah yeah yeah)Let's party all night (Oh!)
(We're party animals, baby)
Let's party all night (Oh-oh-oh!)
(We've got nothing to lose)
Let's party all night
All night long, yeah!
