Party All Night

Quiet Riot

Hang loose

PartyGot my head to the grindstone

I'm trying to act like a fool

My head is a lampshade

They can't find me at schoolWell I'm an animal

Yes I'm a cannonball

They say I'm out for blood

One thing I wanna do isParty all night (Oh-oh!)

Party all night (Oh-oh-oh!)

Party all night (Yeah!)

All night longDriving right way on the wrong side

A bit too much to drink

Women in the backseat

And they don't know what to think They say I've lost my head

You'll probably end up dead

But they're too blind to see

What's a party to me, yeah, yeah, yeah, yeahIs to party all night (Oh-oh!)

Let's party all night (Oh-oh-oh!)

Party all night (Yeah!)

All night longUh!Let's have a good time, good timeC'monEverybody's parties

I'm on a one way cruise

Lookin' for trouble

We got nothing to loseThey're on the telephone

They're trying to send me home

We're gonna pull the plug

We've got a new kind of schoolLet's party all night

Let's party all night

Party all night

Let's party all night(Yeah yeah yeah yeah yeah)Let's party all night (Oh!)

(We're party animals, baby)

Let's party all night (Oh-oh-oh!)

(We've got nothing to lose)

Let's party all night

All night long, yeah!
