

# How High The Moon

Dianne Reeves

Somewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon  
There is no moon above  
When love is far away too  
Until it comes true  
That you love me as I love you

Somewhere there's music  
It's where you are  
Somewhere there's heaven  
How near, how far  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon

Somewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon  
There is no moon above  
When love is far away too  
Until it comes true  
That you love me as I love you

Somewhere there's music  
It's where you are  
Somewhere there's heaven  
How near, how far  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon

Somewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon

There is no moon above  
When love is far away too  
Until it comes true  
That you love me as I love you

Somewhere there's music  
It's where you are  
Somewhere there's heaven  
How near, how far  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon

Somewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon  
There is no moon above  
When love is far away too  
Until it comes true  
That you love me as I love you

Somewhere there's music  
It's where you are  
Somewhere there's heaven  
How near, how far  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon yeah
