

As We Wait

Channing Eleton

Lord, You are welcome in this place right now.

 We prepare Your holy entrance.

Would You bless us in this place right now

 And over whelm us with Your presence?

CHORUS

 And we wait for You.

 We are still before You, Jesus,

 Praying "even now, Lord, come,

 In Your grace and truth.

 Speak, oh Holy Spirit in this place

 As we wait."

Lord, may Your glory fill this place right now

 That Your power come and see us.

Oh, Precious Father do Your work right now.

 We will stay until You need us.

REPEAT CHORUS

 We are beggars, we are broken;

 Empty needing fill.

 In Your presence, we are mended;

 Just a touch and we are healed.

 With our every need before You'

 We welcome You here now;

 As the power and Your glory fills this house

REPEAT CHORUS

 And we wait for You

 Oh, speak oh Holy Spirit in this place

 As we wait (3x)
