Missed

Ella Henderson

You think you're missed,
Well let me tell you this.
The love I felt for you,
Has flown away.And now you see,
What have you done to me.
So all I can ask is why, why, why.
You made us feel like one.
I should have known you were wrong,Oh yeah, you did it on your own,
Now you got to go.
Oh no, I won't let you get me down.
You tried to hurt my feelings,
You stopped me dreaming.
But here I draw the line,
I wish you luck in life and goodbye.You let me think,
That you were so, so true.
Looks like truth can lie.
You want me to go from a high straight down to a low,
With all the excuses here,
the reasons there, they're everywhere.
Chasing rainbows can be fun.
Been chasing you for so long.Oh yeah, you did it on your own,
Now you got to go.
Oh no, I won't let you get me down.
You tried to hurt my feelings,
You stopped me dreaming.
But here I draw the line,
I wish you luck in life and goodbye.
