

You're Just In Love

Bing Crosby & Judy Garland

I hear singing and there's no one there
I smell blossoms and the trees are bare
 All day long I seem to walk on air
I wonder why, I wonder whyI keep tossing in my sleep at night
 And what's more I've lost my appetite
 Stars that used to twinkle in the skies
Are twinkling in my eyes, I wonder whyYou don't need analyzing
 It is not so surprising
 That you feel very strange but nice
 Your heart goes pitter patter
 I know just what's the matter
 Because I've been there once or twice
 Put your head on my shoulder
 You need someone who's older
 A rub down with a velvet glove
 There is nothing you can take
 To relieve that pleasant ache
You're not sick, you're just in loveI hear singing and there's no one there
 You don't need analyzing, it is not so surprising
 I smell blossoms and the trees are bare
 That you feel very strange but nice
 All day long I seem to walk on air
 Your heart goes pitter patter, I know just what's the matter
 I wonder why, I wonder why
 Because I've been there once or twice
 I keep tossing in my sleep at night
 Put your head on my shoulder, you need someone who's older
 And what's more I've lost my appetite
 A rub down with a velvet glove
 Stars that used to twinkle in the skies
 There is nothing you can take
 Are twinkling in my eyes
 To relieve that pleasant ache
 I wonder why
 You're not sick you're just in love
