

# The Velourium Camper I - Faint of Hearts

## Coheed and Cambria

With the worries that I'd give her and, and told the worst of me  
My wanting just to hold your neck in my arms and feel me squeeze  
No, I'm not going to give you what you want, so if you please  
The sin that shapes your voice carries my ears, this new disease  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If you could've saved them from  
But I don't wanna sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my love  
The anxious through the calming storm, you'll sit as you pray for rain  
I'll touch it if you ask me to but how is up to you  
No I'm not going to let you get up if you struggle willingly  
I'll favour all your form to show you how it's been done to me  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they couldn't saved them from  
But I don't wanna sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my love  
With all the words you say  
You say  
You were so well behaved  
As you watched them change your way  
This gift for you engraved  
This shift as you stretch your legs  
You were so well behaved  
You were so well  
Who taught these tricks that make  
You were so well behaved  
If the world stops turning girl, you better not stop when I say  
If there was nothing you could do to stop it, why'd you try  
Then the ground starts parting through the silence as you woke up the dead  
Everything here dies alone  
But I'm not quite sure what you've been told on labor day  
Ooh, I'm not starting with you but the faint of hearts, were worries way  
But I'm not quite sure what this unfolds on labor day  
Ooh, I'm not starting with you but the faint of hearts  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my love  
With all the words you say  
Did somebody take your tongue?  
In worries of the words that you couldn't say  
If they could've saved them from  
But I don't want to sleep without, so I bid to you, goodnight  
Tonight, sleep tight, my gun
