## The Briefs

Advisory - the following lyrics contain explicit language:

These are thee things that belong to me  
Nothing thats worth five dollars you see  
I needed something of value  
I needed money for drugs and foodI got caught shop lifting at macys  
I got caught shop lifting at macys  
Oh noHand on my shoulder a voice says son  
I tried to run 'cause i never learn  
There go my plans for the afternoon  
Im in a chair in the managers roomI got caught shop lifting at macys  
They say this won't change ....for free  
Oh noThey say son your quite moronic  
Why dont you try something honesty  
I said that i'd do my best  
If they would not make an arrest  
Oh Well Oh Well Oh Well ohh oh ohBut this is not the first time oh no  
theyve got my records from other stores  
I will be .....individual  
And it is off to the clink i go
