

East of Eden (Matstubs Flip)

Zella Day

Pink toes pressed against the carpet
Show your face and finish what you started
The record spins down the alley late night
Be my friend, surround me like a satellite
Tiger on the prowl
East of Eden
Coming for you now
Keep me from the cages under the control
Running in the dark to find East of Eden
Keep me from the cages under the control
Running in the dark to find East of Eden
To find East of Eden
To find East of Eden
To find East of Eden
Call me wild, drinking up the sunshine
Be my man and show me what it feels like
Denim sky unbuttoned down the middle
Spilling out little by little
Tiger on the prowl
East of Eden
Coming for you now
Keep me from the cages under the control
Running in the dark to find East of Eden
Keep me from the cages under the control
Running in the dark to find East of Eden
To find East of Eden
To find East of Eden
To find East of Eden
If I wanted to stay
You don't mind, you're a true believer
Take it up with the bad man
Scribbling like the concrete fever
If I wanted to stay
You don't mind, you're a true believer
Take it up with the bad man
Scribbling like the concrete fever
Keep me from the cages under the control
Running in the dark to find East of Eden
Keep me from the cages under the control
Running in the dark to find East of Eden
To find East of Eden
To find East of Eden
To find East of Eden
