

Love The Way You Lie

[Ariana Grande](#)

On the first page of our story
The future seemed so bright
Then this thing turned out so evil
Don't know why I'm still surprised Even Angels have their wicked schemes
And you take that to new extremes
But you'll always be my hero
Even though you've lost your mind Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohhhh, I love the way you lie Now there's gravel in our voices
Glass is shattered from the fight
In this tug of war, you'll always win
Even when I'm right Cause you feed me fables from your hand
With violent words and empty threats
And it's sick that all these battles
Are what keeps me satisfied Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohhhh, I love the way you lie So maybe I'm a masochist
I try to run, But I don't wanna ever leave
Till' these walls are goin' up
In smoke with all our memories Just gonna stand there and watch me burn
But that's alright because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright because I love the way you lie
I love the way you lie
Ohhhh, I love the way you lie
