

# On My Father's Side

## The Village Singers

Just a young boy in the temple one day  
Shared with the doctor's, they were so amazed  
Never had they seen one so young speak so swift  
They asked him many questions, the conversation went like this

(man speak) what's your name son?  
(sing with harmony) on my mother's side (girl sing solo) my name is  
Jesus  
(sing with harmony) but on my father's side (girl sing solo) they call  
Me Emmanuel

[repeat this singing pattern through all four stanzas of chorus.]

How old are you?  
On my mother's side now I'm 12 years  
But on my father's side I've just always been

Where are you from?  
On my mother's side I'm from Bethlehem  
But on my father's side it's the new Jerusalem

What's your plan?  
On my mother's side I'll be crucified  
(sing all with harmony) but on my father's side in 3 days i will rise  
And I'll sit at my father's side

He was the son of god yet the son of man  
And i can't help but wonder how Joseph must have felt  
Through an old thin door that day he heard his son reply  
He said "you see I'm the king of kings, that's on my father's side"
