

# The Noose (live)

## A Perfect Circle

So glad to see you well  
Overcome and completely silent now  
With heavens help you cast your demons out And not to pull your halo down  
Around your neck and tug you off your cloud  
But I'm more than just a little curious  
How you're planning to go about making your amends  
To the dead  
To the dead Recall the deeds as if they're all  
Someone else's atrocious stories  
Now you stand reborn before us all  
So glad to see you well And not to pull your halo down  
Around your neck and tug you to the ground  
But I'm more than just a little curious  
How you're planning to go about making your amends  
To the dead  
To the dead With your halo slipping down  
Your halo slipping  
Your halo slipping down  
Your halo slipping down But I'm more than just a little curious  
How you're planning to go about making your  
More than just a little curious  
How you're planning to go about making your  
More than just a little curious  
How you're planning to go about making your amends Your halo slipping down  
Your halo slipping down  
To choke you now
