

Firefly

Don Peris

Don't cry
The sound you hear is just a car going by
The light you see is just an aeroplane

Good-night
You'll wake up in the morning with the sunshine
You'll wake up in the morning with the bells of the earth

And hey
I can say the world is beautiful
Sometimes
I sit up in the kitchen while the rain falls
I sit up in the kitchen with my radio

And hey...
Don't cry
The sound you here is just a car going by
The light you see is just a firefly
