Party hard, to the morning

Shake your ass, show me love
Got me open, I'm falling dub
Raise your glass, come fuck with us
I'm bout my bizness steady drinking I just let it fly
Like the strings on my dollars I just let them fly
Hands in the air, oh yeah come on and let it fly
Let's go, let's let it fly
Get ready, let it fly Hands in the air, yeah, drinks in the air
Let it fly
Hands in the air, yeah, drinks in the air
Hands in the air, yeah, drinks in the air
Let it fly, let it fly, let it fly
The unstoppable baby

Let it fly, let it fly, let it flyEverybody hard, I throw it hard
We got dough, we make bread
They reaching out they ain't fair
Dancing around, you would have thought

Some alcohol and some slow music
And I figured it all started with a smile and a winkHands in the air, yeah, drinks in the air
Let it fly
Hands in the air, yeah, drinks in the air
Hands in the air, yeah, drinks in the air
Let it fly, let it fly, let it fly
The unstoppable baby
Hands in the air, yeah, drinks in the air
Let it fly
Hands in the air, yeah, drinks in the air
Hands in the air, yeah, drinks in the air
Let it fly, let it fly, let it fly
