

Let Me Go (feat. Silja)

Nouvelle Vague

Once there was a day
We were together all the way
An endless path unbroken
But now there is a time
A torture less sublime
Our souls are locked and frozen Let me go Let me go Let me go Let me go I tried but could not bring
The best of everything
Too breathless then to wonder
I died a thousand times
Found guilty of no crime
Now everything is thunder Daytime all I want is
Nighttime I don't need the
Daytime all I want is
Nighttime I don't need the Once we were years ahead but now those thoughts are dead
Let me go
All hopeless fantasies are making fools of me
Let me go
I walk alone and yet I never say goodbye
Let me go
A change of heart a change of mind and heaven fell that night
Let me go The best years of our lives
The hope of it survives
The facts of life unspoken The only game in town
I'll turn the last card down
And now the bank is broken mjo
