Up to Me

Five Times August

You wanna feel loose
You wanna see how I'm abused, I see
You wanna get faded
You never wanna concentrate on me
I'm too much of an angel
I'm too much of a saint though I can't be
I'm too much of a reject you don't expect much fromI wanna feel safe
I wanna feel like I'm not hated too
I wanna get closer I wanna feel the most I get from you
I'm too much of a rebound
I'm too much on the ground though you can't be
Your always getting higher
You don't desire meSo what have I got to prove
And what have I got to lose
When your not worth fighting for
And why am I feeling down
While your out messing around and you're
Not worth begging forJust wanted to stop by
Just wanted to see you
One last time
Just wanted to say bye
Just wanted to get you off my mind
Just wanted to fit in
But then I saw you with himSo what have I got to prove
And what have I got to lose
When your not worth fighting for
And why am I feeling down
While your out messing around and you're
Not worth begging forIt's up to me, it's up to me
And I'm still falling
It's up to me, it's up to me
And I'm still callingIt's up to me
It's up to me
It's up to me and I'm still hoping
It's up to me for you to hold me
It's up to me to let you go
It's up to me
But for all you know
I'm already goneSo what have I got to prove

And what have I got to lose
When your not worth fighting for
And why am I feeling down
While your out messing around and you're
Not worth begging forIt's up to me
It's up to me
And I'm still falling
It's up to me
It's up to me
And I'm still calling
