To Get To You

Lorrie Morgan

I've cried an ocean of salty tears, so torn apart by love
Struggled through so many lonely years, dying for a lover's touch
But now that I'm lying here safe in your arms
Baby, I would go through it all again[Chorus]
I'd fall down on my knees . Spend desperate years lost at sea
Baby, to get to you. Go through every heartbreak, lose every last bit of faith
Baby, to get to you. Re-cry every hard tear. Face every dark fear
Just to feel the sun break through. Baby, to get to youBaby, I was convinced that I'd been abandoned by God
That I was one in a million souls, somehow he forgot
But now that I've found you it makes perfect sense
And I would go through it all again[Chorus]Just to be lying here safe in your arms
I would go through it all again[Chorus]
