# Yesterdays

## Bud Powell

Flowers cut and brought inside
Black cars in a single line
Your family in suits and ties
And you?re free
The ache I feel inside
Is where the life has left your eyes
I?m alone for our last goodbye
But you?re free
I remember you like yesterday, yesterday
I still can?t believe you?re gone, oh
I remember you like yesterday, yesterday
And until I?m with you, I carry on
Adrift on your ocean floor
I feel weightless, numb and sore
A part of you and me is torn
But you?re free
I woke from a dream last night
I dreamt that you were by my side
Reminding me I still had life
In me
I remember you like yesterday, yesterday
I still can?t believe you?re gone, oh
I remember you like yesterday, yesterday
And until I?m with you, I carry on
I?ll carry on, oh, I?ll carry on
Every lament is a love song, a love song
(Yesterday, yesterday)
I still can?t believe you?re gone, oh
Every lament is a love song, a love song
(Yesterday, yesterday)
Oh, so long my friend, so long
