## Be With You

## Akon

I know they wanna come and separate us But they can't do us nothin'

You're the one I want and I'ma continue lovin'

'Cause you're considered wifey and I'm considered husband

And I'ma always be there for youAnd either way you look at it, I ain't goin' nowhere for my muffin'

'Cause she gonna hold it down, can't nobody tell her nothin'

That got the kind of love that always make a better fussin'

And that's what gets me closer to youAnd no one knows why I'm into you

'Cause you'll never know what it's like to walk in our shoes

And no one know the things we've been through

Can never measure up to half of what I put you through

That's why we'll break throughAnd I don't care what they say, I'm gonna be with you

I'm gonna be with you, I wanna be with you

And I don't care what they do, I'm gonna be with you

I'm gonna be with you, I'm gonna be with youSeems like every day that go by, things are gettin' harder

Wanna be the one that give you the whole enchilada

'Cause I know what my baby like, I lean you on that Prada

You ain't got to match with the shoesAll about knowin' you, I'm into doin' things to keep her longer

Stickin' together forever, watch you grow stronger

That's the way it has to be, everythin' proper

Keepin' it always trueAnd no one knows why I'm into you

'Cause you'll never know what it's like to walk in our shoes

And no one know the things we've been through

Can never measure up to half of what I put you through

That's why we'll break throughAnd I don't care what they say, I'm gonna be with you

I'm gonna be with you, I wanna be with you

And I don't care what they do, I'm gonna be with you

I'm gonna be with you, I'm gonna be with youYou are everythin' in my life, see the joy you bring

And ain't no one I compare you to

And I know that you will never walk away from me no matter what

And that's why I plan to do the same thing for you

And I want you to knowAnd I don't care what they say, I'm gonna be with you

I'm gonna be with you, I wanna be with you

And I don't care what they do, I'm gonna be with you

I'm gonna be with you, I'm gonna be with youAnd I don't care what they say, I'm gonna be with you

I'm gonna be with you, I wanna be with you

And I don't care what they do, I'm gonna be with you

I'm gonna be with you, I'm gonna be with you
