

Blown a Wish

Japancakes

Midnight wish blow me a kiss
I'll blow one to you
 Make like this
Try to pretend it's true Show me all your favorite things
 Show you all mine too
 Make a wish
I'll give it all to you Hold on to your promises
 Hold on to mine too
 Caught like this
I'll turn it in with you Fall apart my beating heart
 Nothing left to do
 Once in love
I'll be the death of you
