

Diamonds & Gold (Feat. Mibbs)

K. Roosevelt

Driving off my breeze, riding round my lovely town
Benjis on my mind, sunshine and I'm on my grind
I ain't gonna slow down, won't waste my time
I got the game on my side, and nobody can stop me now
Spend it on diamonds and gold chains
I don't need a know tryina' stay in the game
Got a lot of dollars, is trappin the main thang
Show a little love, to keep pushin, I came for chain down
Stay in line, baby give me some time now
Don't be mad at me now, all the mess swag can't forget that
I was doing my thang
Take a look at my rangs, bout to keep it rolling
Keep it going, keep it going, wassup
Yeah, jewelry all on my neck, Tight friend on my chest
You tell me what you know about that?
I say I see down my gators, ...for my haters
Smellin good for my ladies
Uh, I'm so wavy, I say pick up all my homies
We get it, get it, we got it
My main girl no limit, she with it, with it
She bout it, bout it
We taking over and out
Tomorrow look so bright, going so hard
In this thang, look like we only have one night
But we've been getting money, feeling perfect
We're moving out
Getting money, Living right, feeling perfect, talking
Diamonds and gold, talking diamonds and gold
Ok, since I'm all about my paper, time is not to be wasted
Time is not to be wasted, I can't find the time to be patient
I'm off, off to the oasis, rocking my cross trainers
Airmax in my feet man, I'm so fly, this shit is contagious
Gold chain on swang, I been doing my thang so good
She went down to the shop, and got a tattoo with my name
So clap for me, clap for me, clap for me, baby
Throw it back for me, know I got stacks on me, racks on me
Party out by the ocean, everything in motion

I play first base, I play quarter back, I play point guard and I'm coaching
Feeling good, living right, superman, no kryptonite
Juice and gin, no cris tonight
Girl you gonn get some dick tonight
And I'm gone tomorrow, on the plane
Back home then I call the game
Moving baby, I'm moving baby
Get on my level or on the train
Finally living my dream, breaking bread with my team
I'm motivated, we motivated, my gold chain on bling baby
But we've been getting money, feeling perfect
We're moving out
Getting money, Living right, feeling perfect, talking
Diamonds and gold, talking diamonds and gold
Diamonds and gold, talking diamonds and gold
Diamonds and gold, talking diamonds and gold
Diamonds and gold, talking diamonds and gold Sippin all night, more shots and more drinks
Knocking down, not stoppin, no breaks
Heated Pool, naked broads and gold chains, oh yeah
Everyday we doing the same shit
Money and women this is the life, yeah
Grab some liquor and can I get a hell yeah, hell yeah
Hell yeah, hell yeah
And this is for my nigga nate dogg
I put the key in the ignition bout to take off
We ain't stoppin we bout to blow the break off, off
And don't be hating if you ain't y'all
