What?

Michelle

What?

Look

Where?

Hold up don't turn your head. Just slowly turn your head

Oh yes

Oh

Girl

He's definitely fine

That's right(He's fine) he walks in the club with love in his eyes

As he steps flock, flockin' females by his side

Lookin' scrumptious, even though he ain't tryin'

The finest thang that you ever did see

The sexy creation had his hat tilted to the side

Starin' at me, had my nostrils open wide

Can't even vocalize what I visualize and my body paralyzed

As he smiled at me I said

Hey boy would you enjoy sittin' next to me in your corduroys?

I'm from Texas my girl is from Illinois

Where you from, can I come visit you sometimes?

My oh my you seem like husband material

Caught in your cheer

Are you married 'cause you're very very extraordinary, kinda scary

I want your name in my vocabulary Lullaby love

Where have you been all of my life?

Your chocolate covered, strawberry, apple pie a la mode Lullaby love

Where have you been all of my life?

Your chocolate covered, strawberry, apple pie a la mode Tell me your dreams and aspirations

What's your future plans?

What's your motivations?

Boy I'm lovin' how you so unpredictable, but I'm feelin' you

Guess I got the gift with you

Admirin', you might check again

As I step say a prayer

You available? So sensual

Lullaby love heartbreakable, so special, baby makeable Lullaby love

Where have you been all of my life?

Your chocolate covered, strawberry, apple pie a la modeLullaby love
Where have you been all of my life?
Your chocolate covered, strawberry, apple pie a la modeIt's all in the way you look at me (apple pie la mode)
I'm sure I'll enjoy your company (apple pie la mode)
You're turning me on with your modesty (apple pie la mode)
You have such a beautiful personality (apple pie la mode)Lullaby love
Where have you been all of my life?
Your chocolate covered, strawberry, apple pie a la modeLullaby love
Where have you been all of my life?
Your chocolate covered, strawberry, apple pie a la modeLullaby love
Where have you been all of my life?
Your chocolate covered, strawberry, apple pie a la modeLullaby love
Where have you been all of my life?
Your chocolate covered, strawberry, apple pie a la mode
