

Life of Pause

Wild Nothing

On my own, she's at home
There's not a single day
That I was gonna miss you all
Time and space, our love delays
Know that when I go
There's no reason to be afraid How come we were in love?
How come we were in love?
Tell me how
How come we were in love?
How come we were in love?
How come we were in love?
Tell me how How come we were in love?
Distance frays, come away
And when the steady comes
There's nothing left for us to say
No one wants the best ones
I take a life of pause
Just so I could be dancing you
How come we were in love?
How come we were in love?
Tell me how
How come we were in love?
How come we were in love?
Tell me how
How come we were in love?
